Prince Harry's book 'Spare' is a bestseller – 12th January 2023

Level 0

Prince Harry has written a book about his life, his mother's death, and his relationship with newspapers. It is called "Spare". This word means something that is only there in case another thing is lost or broken. The 410-page book is in 16 languages. It is the fastest selling non-fiction book ever written.

A member of Britain's Royal Family has never spoken so honestly before. Harry writes about why he moved to the USA, family arguments, and why he stopped being a royal. He said UK newspapers have written many bad things about his wife Meghan. He also wrote about killing Taliban fighters in Afghanistan.

Level 1

Prince Harry has written a book about his life, his mother's death, his relationship with newspapers, and being a royal. It is called "Spare". The word "spare" means something that is only there in case another thing is lost or broken. "Spare" points to the fact that Harry would become king only if his father and brother died. The 410-page memoir has been printed in 16 languages. It is the fastest selling non-fiction book ever written.

A member of Britain's Royal Family has never spoken so honestly before. Many stories in "Spare" are shocking. Harry writes about why he moved to the USA, how he fell out with his family, and why he stopped being a royal. He said UK newspapers have written many bad things about his wife Meghan. He said his brother Prince William attacked him. He also wrote about how many Taliban fighters he killed in Afghanistan.

Level 2

Prince Harry has written a book about his life. It is also about his thoughts on his mother's death, his relationship with the press, and being a royal. The book is called "Spare". The word "spare" means something that is only there in case another thing is lost or broken. The title "Spare" points to the fact that Harry would become king only if his father and brother died. The book has been published in 16 languages and is a bestseller. People waited in line for hours to buy it. A leading UK bookstore said "Spare" has been one of its "biggest pre-order titles for a decade".

The book is controversial. A member of Britain's Royal Family has never spoken so openly before. Harry tells the story about why he moved his family to the USA, how he fell out with his family, and why he gave up being a royal. He said the UK press has continually written bad things about him and his wife Meghan. "Spare" is a way for Harry to tell his family about his feelings. The 410-page memoir has many personal stories. He claims his brother Prince William attacked him because he wanted to marry Meghan. He also wrote about the number of Taliban fighters he killed in Afghanistan.

Level 3

The UK's Prince Harry has written a book about his life. It is also about his thoughts on the death of his mother (Princess Diana), his relationship with the press, and being a royal. The book is called "Spare". The word "spare" means someone or something that only exists in case another person or thing is lost, broken, or worn out. The title "Spare" refers to the fact that Harry would only become the UK's king if his father and brother died. The book is a bestseller worldwide. It has been published in 16 languages. People waited in line for hours to buy it. In the UK, "Spare" went on sale at midnight on Sunday. One of the UK's leading bookstores, Waterstones, said "Spare" has been one of its "biggest pre-order titles for a decade".

The book is a controversial one. A member of Britain's Royal Family has never spoken so openly before. Harry said the book tells the story about why he moved his young family to the USA, and why he gave up his official royal duties. He said the UK press has continually written bad things about his wife Meghan, and reports on his life with Meghan in a negative way. "Spare" is one way for Harry to let his family know his true feelings. The 410-page memoir contains many personal stories. He writes about how he fell out with the Royal Family. He claims his brother Prince William attacked him because he wanted to marry Meghan. He also wrote about the number of Taliban fighters he killed in Afghanistan when he was a soldier.
