THE READING

From https://breakingnewsenglish.com/2611/261119-gta-6-0.html

Grand Theft Auto 6 has been released. Millions of fans have waited 13 years to play it. GTA 6 could be the biggest game release ever. It has sold millions of copies and will make billions of dollars. Some excited fans are taking days off work to play it. Many fans tried to change their console settings to play the game earlier.

GTA 6 has great reviews for its graphics. Players can explore a world of crime. However, experts warn that it is not good for children. It contains violence and drugs. A media expert said: "In GTA, players commit crimes, sometimes against ordinary people." The game is popular, so many children will play it.
